2. Chairman's Report – Season 2015/16

Good evening ladies and gentlemen

Well, that's another season drawn to a close.

Once again, we have had a very successful season but it has also had its difficulties. As you know, the FA launched the Whole Game System and boy what a problem that caused! Clubs were suspended and then reinstated, but thanks to Gerry (who doesn't like computers!), he worked it all out and found the time to warn clubs that they were about to be suspended and as the season wore on, gradually, the suspensions subsided. Well done Gerry and well done to all you clubs!

This time last year we voted Lisa in as our new League Secretary. With little or no knowledge of what our league or her new role entailed it is fair to say that it could have been a long season for us all! This couldn't be further from the truth! Lisa has grasped the role with both hands, brought her ideas and a proactive, helpful attitude to the role and really made it her own. I am sure the rest of the committee will back me up when I say it has been a very successful appointment.

Now on to football. I have been told that this season we had 12 different clubs battling out our six finals for the first time, as far as we can remember!, so on behalf of myself and the Management Committee I would like to congratulate those who emerged victorious at Letchworth and while I am on the subject I would like to give Sumners FC a special, and unusual, mention. After losing their cup final, the clubs players and officials conduct was outstanding and a credit to their club and our league. The Management Committee take a lot of pride in organising and manning our cup finals, they are the best around, so thank you to Sumners FC for making us feel that we are doing it right, even in defeat.

Our divisions went to the wire this year with several not settled until the last weekend showing that our league is still competitive. Congratulations to all of the winners and runners up, be patient, your time will come towards the end of this AGM but our league is not all about who wins, as a committee we are constantly striving to make things easier and more enjoyable for every club and as a league we are growing stronger together so congratulations to all of you on another great season, we know it can be difficult so if you have any suggestions on how we can do more then please let us know.

Some of you will be aware that we have struggled with referees this season, and I would like to thank you for your patience when not having referees. To address this situation, we are going to try to run a referees course, sponsored by the league. So if there is anyone out there who is coming to the end of their playing career and doesn't want to leave football, maybe this is the way forward (come and join the dark side!) We are hoping to run this at a local venue, so if anyone is interested, please see me.

I would like to welcome all the new clubs to our league for next season as well as some old faces! And if you need any help with anything at all please contact a committee member. We are here to help.

For the forthcoming season, we will yet again be working and trialling ideas in the background, looking at new ways to help our clubs and make things easier by streamlining league processes where possible and incentivising club processes such as housekeeping, confirmations and fine paying! When this is not up to date it not only costs clubs but it causes no end of headaches for the committee members. So watch this space!

Once again, I would like to take this opportunity to thank Mr Hammond of ORC Sports for the fantastic sponsorship and support again this season, long may it continue.

While I am in the mood for thanking people, I would like to say a massive thank you to all of the management committee members for their hard work and time again this season. Also, thank you to all the club secretaries and the unsung heroes that keep grass roots football running.

I wish you all a really good summer and we will see you next season, that's if you vote us all back in! Please note our first game of the 2016/17 season will be on 10th September, be prepared it will come round quicker than you think!

Thank you

Mr Neil Morris
